

The FRIENDS of WUSHU, a special committee of the non-profit organization, The TIGER CLAW FOUNDATION, supports our American athletes competing in the 7th World Wushu Games in Macau. As a goodwill gesture, The FRIENDS of WUSHU donated \$300 towards travel and The TIGER CLAW FOUNDATION donated \$200 worth of gear to each of the 17 Wushu and Sanshou team members representing the USA in this important international martial arts competition. The TIGER CLAW FOUNDATION and its special committees strive to support all styles of the martial arts at the grass roots level.
